

**Full Name: Michele Iafisco**

**Email: [michele.iafisco@istec.cnr.it](mailto:michele.iafisco@istec.cnr.it)**

**Phone No: +39 0546699730**

**<https://www.istec.cnr.it/?team=iafisco-michele>**

**<http://www.researcherid.com/rid/B-4597-2010>**

**Michele Iafisco is senior researcher at Institute of Science and Technology for Ceramics (ISTEC) of the National Research Council (CNR) in Faenza (RA), Italy.**

**He is co-founder and CTO of the CNR spin-off Recover Ingredients S.p.A.**

**He graduated in Chemistry in 2005 from the Alma Mater Studiorum, University of Bologna, Italy in 2005. From the same university he obtained the PhD degree in Chemical Science in 2009.**

**His research interests include biomaterials, biomineralization, nanotechnology, calcium phosphates, and bioceramics.**

**He is the principal investigator and responsible of research unit of several national and international projects (i.e. Progetti di Ricerca@CNR “SEARCULAR” (Principal Investigator); National Project PRIN 2020 “AppliCare”. (WP leader, Responsible of CNR research unit); EU project “UNAT” (WP leader, Responsible of CNR Research Unit). Bilateral project CNR/MoST (Taiwan). (Principal Investigator))**

**He has authored more than 130 papers published in international peer-reviewed journals, 18 book chapters, 2 books and 7 patents. H-index=39, total citation: more than 4400, Source: Scholar (March 2022).**

**He is member of the editorial board of several international journals (i.e. Scientific Reports, Colloids and Surfaces B: Biointerfaces, Frontiers in Bioengineering and Biotechnology) and expert evaluator for the European Commission and other European research agencies. In 2015 he was recipient of the prize “Ricercaamente 2014” for the best research activity of most promising young researcher “under 35” at the National Research Council of Italy in the field “Chemical Sciences and Materials Technology.**
