

Prof. Dr. Yaşar Murat ELÇİN, PhD

Biosketch (200 words; 01/2024)

E-mail: elcinmurat@gmail.com; elcin@ankara.edu.tr

- Professor, Ankara University (AU) Faculty of Science, Dept. Chemistry, Biochemistry Div. (1996-)
- Listed in Stanford-Elsevier World Top 2% Scientists "Career Impact - 2020, 2021, 2022 & 2023" (Biomedical Engineering / Biotechnol or Biochem & MolBio fields)
- President, Biomaterials & Tissue Engineering Society (Turkey) (2021-)
- Founder, Tissue Engineering, Biomaterials & Nanobiotechnology Research Laboratory (ElçinLab) (1993) (www.elcinlab.org)
- Founding Deputy Director, Ankara University Stem Cell Institute (2010-2016)
- Head, AU Faculty of Science, Dept. Biochemistry (2005-2017)
- Supervisor, 28 PhD and 32 MSc Theses
- Founder, Biovalda Health Technologies, Inc.
- 7 Registered Patents & 2 Prototypes (Matrisis® and Hemagraft®)
- Chairman, BIOMED's 2002, 2011, 2017 & 2022
- Ankara Univ. Science Award (2008), Middle East Technical Univ. Science Award (2018), Doktorclub 2019 Biotechnology & Genome Technology Award (2019)
- Associate Editor & Section Editor, "Musculoskeletal Regeneration & Tissue Engineering", Stem Cell Reviews & Reports (Springer-Nature)
- EB Member, Genes & Diseases (Elsevier), Molecular Biotechnology (Springer), Cell Biology & Translational Medicine (Springer Nature), etc.
- Editor, Tissue Eng., Stem Cells & Gene Therapies (Kluwer-Plenum), NY, 2003
- TEP Editor, Lehninger Principles of Biochemistry, 5th Ed. (Palme), 2013
- Bioethics Committee Member, UNESCO-Turkey (2014-2018)
- International Athlete (Track & Field; 1980-1994)
